> I have a folder on our server that contains what I have worked on for CCA. I suggest the easiest way would be to transfer it to an external hard drive. Do you have one around you could bring over & I can put everything on it? It should have at least 10GB of storage. It would take too much time and memory to use WeTransfer.

Hi Kevin, thanks so much for all of your help. It was truly great working with you over the last couple of years. Donâ€™t be a stranger!

Hi Kevin, happy new year!

Thanks for all you designed for CCA â€“ could you please send me the packaged design files for our events?

Revisiting my request from October, see below. Please add the Community Exchange Day flyer you made for Marie â€“ attached.

Thanks so much, wishing you and your team a GREAT 2018!!

Subject: Design Files

Hi Kevin,

Since I no longer have access to the shared drive, can you please send me the latest <u>packaged</u> design files for the following events?
Flyer, web graphic, ppt slide, e-blast graphic, posters, etc.:

- Church & State Soiree
- Kendra Scott
- Holiday Party 2017
- Elected Officials Reception 2017
- Chiefs of Staff Reception 2016
- Anything you designed for Treasures 2017
- The attached table flyer
- Premier Sponsor ppt slide

- Premier Sponsor poster

I already have the GMM files â€" are there any random CCA files you have?

You can send via <u>WeTransfer.com</u> or on a flash drive. Iâ€™m going to ask our IT company to get me the proper fonts.

Thanks so much!
